We support you to stay safe online and out in the community.

Houlton School staff are trained to deal with incidents of abuse/neglect.

Staff are trained to deal with incidents of abuse from adults to children and also abuse which can occur between young people.

We will always listen and act upon your concerns. This may involve working with your parents or carers or getting help from other services outside of school.

Your wishes and feelings will always be considered.

Why is it important?

From time to time, pupils can suffer abuse

from adults and/or other young people.

Abuse can be physically, sexually, or emotionally harmful or neglectful. It can happen in person, online, at home, within the community or in school.

We want to make sure that everyone at Houlton School is protected from abuse and harm.
