Dear Students and Parents/Guardians,

Register for the Information Evening - https://weareworldchallenge.com/trips/ep753xb-2/

We are extremely excited to announce an incredible opportunity for students in the current year 9, 10, 11 and 12, to travel on a World Challenge trip to **Malaysia** for 2 weeks in **July 2028.** The trip will be led by Mrs Cooke, alongside World Challenge, the leading provider in school expeditions and student development experiences.

Students will be able to fundraise for this trip over the two years. During the Parent Information session, Suzy from World Challenge will talk about the support provided from both World Challenge and Easy fundraising. Thousands of students raise the full amount for the trip themselves.

A World Challenge can help a huge amount in your future both personally and professionally. The trips build confidence, resilience, leadership but also provide skills that can set you above the crowd. World Challenge works in a way so that students take the lead. Students are given different roles, a cash budget, the itinerary and are encouraged to run the trip. This can be a huge advantage when applying for further education or going for interviews for your first job.

"As a graduate recruiter, I look for candidates who have gone above and beyond academic and sporting achievements, those who have dealt with real people, taken on responsibility or had experiences that make them stand out. From every angle, as a pupil, a leader and now an employer, I can say that a World Challenge Expedition genuinely sets young people apart from the crowd."
Tim Shaw – Investment Director

Where can I find more information?

Suzy from World Challenge will be hosting an information evening on **Monday 5th October at 6.00pm.** We urge all students and parents to attend this to find out all the details of this very unique once in a lifetime opportunity. If you have any questions following this then please do email either myself or Suzy on sadams@world-challenge.co.uk.

Please register to attend the online information meeting here –
