Dear Parent/Carer,

Re. TLET Community Voice Events

As Chief Executive Officer of Transforming Lives Educational Trust (TLET), I am keen to spend more time listening directly to the pupils, staff and parents/carers who make up our academies.

As part of this, I will be visiting each of our academies every term to hold a small discussion with parents and carers.

In the first of these sessions, we will discuss TLET's vision and values and, most importantly, how these are experienced in everyday life.

TLET's vision is built around three ambitions:

- Nurture Potential
- Inspire Community
- Deliver Excellence

I would like to hear your views on what these ambitions mean to you and your child, what you feel we are doing well, where there may be gaps between our aspirations and your experience, and what you think we could do differently.

This is intended to be an informal and open conversation rather than a formal presentation. I am particularly interested in hearing a range of perspectives, and you do not need to prepare anything in advance.

The session will last approximately 45 minutes and will take place at Houlton School on 21st October at 4.30pm. If you would like to take part, please complete the expression of interest form <https://shout.com/s/puC6WVB7> by no later than 5pm on 19th October.

Thank you for your continued support of the academy and, more importantly, for the part you play in helping us to ensure that every child and young person can thrive. I look forward to meeting you and hearing your views.

Kind regards,

Helen Stevenson
