Attendance

Should your child be absent from school please ensure that you telephone/email daily by **8:30am** at the latest. Please call **01788 593300** and **press option 1** to leave a message. If you prefer please email our designated attendance email address: attendance@houltonschool.org.uk. Please do this on a daily basis if your child remains absent and continue to do so until your child returns to school.

In the case of illness for more than 3 consecutive days, in order to authorise this period of absence the school will require medical evidence such as the following: medical appointment card/letter; proof of a prescription (medication label/container) showing the date prescribed, or a receipt of medication purchased for your child.

As part of our safeguarding procedure, our Safe and Well Team will make home visits to our pupils if they are unwell for a period of absence, or should we have any concerns. Thank you for your understanding and support.
