

# Weekly Bulletin

Week ending Friday 3 February 2023

## Attendance

Should your child be absent from school please ensure that you telephone/email daily by **8:30am** at the latest (there is an absence line should you wish to leave a message or if you prefer you can send it via email to our designated attendance email address: [attendance@houltonschool.org.uk](mailto:attendance@houltonschool.org.uk)). **Please do this on a daily basis if your child remains absent.**

## PE Information

If pupils are not able to participate in PE/Dance for any reason (whether it be medical or injury), we expect a **hard copy written note** from home explaining this. Parents/carers should not email/call into reception as this increases the workload for our staff and as PE staff, we do not always have access to emails during the school day. If they cannot participate, we still expect pupils to bring their kit and get changed like any other lesson as they will participate in leadership and stewardship activities.

## Road and Bike Safety Event

On Saturday 11 March 2023, the Rugby Town East Safer Neighbourhood team will be at the GEC Rec' Car Park on Hillmorton Road to offer advice and support to the public around bike safety and security.

Officers will be at the event from 10:00am until 3:00pm and will be on hand to help out with the following:

- Bike marking using Bike Register
- Further information on Operation Close Pass
- Road safety (including improving visibility)

This is working alongside the Road Safety Partnership, and Rugby County Council to improve the safety of cyclists on Rugby's roads.

Also in attendance will be Dr. Bike, who can provide a free safety check and can make minor adjustments to bicycles if required.

Please feel free to come along to raise any concerns or queries with the team, we look forward to seeing you there.

**PC 2358 Hodgkins-Warren**
