Music Tuition

Please remind your child that music lessons will commence on Tuesday 11 January (please note that drum lessons have moved from Mondays to Tuesdays). Times of lessons will remain the same as last term. We will send reminders out via tutors on the mornings that the lessons take place.

Please remember to make your payment for music tuition via ParentPay if you have not already done so.

Below you will find information of upcoming exciting musical performances from Warwickshire Music.

Attendance

In order to support our pupils in making the best possible progress we will be working with individuals over the course of this term to put strategies in place to ensure pupils are attending school every day.

Pupils dropping below 80% attendance are at significant risk of not achieving their full potential both academically and in terms of personal development. By using positive targets and support strategies we will be working with pupils whose attendance is below expected to address any barriers they are facing in coming to school.
