

Weekly Bulletin

Week ending Friday 12 May 2023

Important Reminders

- The **French Trip Information Evening** with Varsity Travel will be held on **Wednesday 17 May at 5:30pm**.
- Please remember to bring any outstanding passports and GHIC/EHIC cards in to school for copying.
- Final payments are now **overdue** for both the Year 8 French trip and the Year 7 PGL trip. Please check ParentPay and ensure final instalments are made by the end of the school day on **Monday 15 May** in order to avoid a **£15 late payment charge**.

Reminder – Movie Night (Monday 15th May)

Friends of Houlton School are holding a Movie Night for pupils on **Monday 15 May** (please see poster on the page below). Tickets are free but need to be booked in advance via ParentPay, **there are still plenty of places** should your child want to go.

Integer Mini Saga Writing Competition

We are delighted that a large number of pupils who entered the Young Writers' competition have had their mini sagas selected to be published. If your child's story has been selected then they will bring home a letter addressed to parents/carers. Do ask your child so letters don't remain in bags all weekend.

Please follow the instructions in the letter to give your consent for the story to be published, in addition to checking spelling of names and accuracy in the story itself. These were scanned in and there may be spelling errors due to handwriting not being recognised correctly by the software used.

We will receive copies of the book containing all the pupils' stories, but if you do want to purchase one for yourself then you can do this on their website. Please do not send cheques/cash into school as the deadline for completed orders is **Sunday 14 May 2023** so orders will need to be completed online.

Crick Athletic Colts FC

U13's PLAYERS NEEDED FOR 23/24 SEASON

Crick Athletic Colts U13 need new players to join their team. If your child is currently in Year 7 moving to Year 8 in September and looking to join a friendly team with an ethos of enjoyment, inclusion and development of all skill levels, then look no further

Matches are played on Sunday mornings and with training on Tuesday from 6:00pm.

For more information please contact:
Neil on 07815 197220
