## Are you a parent/carer or young person in Warwickshire with SEND?

Please take the time to complete Warwickshire County Council's survey. Your feedback is important.

Warwickshire has been selected to take part in a national pilot to support Ofsted and the Care Quality Commission (CQC) to develop a new special educational needs and disabilities (SEND) inspection framework. As part of the pilot, they would like to hear the views of parents, carers, young people and practitioners working with children or young people with SEND in education, health or care services.

The survey will close at 9:00 am on Tuesday 21<sup>st</sup> June.
