Edurio Parent Survey

Transforming Lives Educational Trust would like to give parents/carers the opportunity to complete a short survey. This will be communicated directly to parents/carers early next week. Parents/carers will then receive a unique code from info@tlet.org.uk that is a 'once only' use code by no later than the end of the day on **Wednesday 24 April**. The closing date for the survey is **Tuesday 7 May**.

Gardening Club

Should parents/carers have any shrubs or bushes which they might have split or have new seedlings of any plants which they no longer require, we would be very grateful for donations to establish our Houlton School garden. We've had success with our bulb planting and are now looking for larger, more year-round plants of any sort.

The Year 8 educational visits to Dovedale are taking place on **Wednesday 24 and Thursday 25 April**.
