

# Welcome to Houlton School

**HOULTON**  
SCHOOL

We are really looking forward to meeting you! When you arrive at school in the morning you will walk in through the main entrance.

When you walk through the main entrance you will find the school office on your left. Mrs Harling and Mrs Burns work here and can help you if you get stuck.

Mrs Harling

Mrs Burns

When you arrive in the morning the Power Hall Refectory will be open from 7:45am until 8:35am. You can purchase breakfast here if you want to.

The Power Hall Refectory is also open at break (10:50am) and at lunch (1:10pm). There are lots of different options available on the menu.

If you prefer you can wait in the courtyard or playground in the morning before the bell goes.

When the first bell goes at 8:35am you will head to your tutor room. This will either be in the STEM or Humanities building.

You will receive a timetable with all your lessons, if you need a visual timetable one can be provided.

Your lessons will take place in various rooms.

## Food Nutrition and Design Technology

We are lucky to also have a radio station in the Centre for Communication (CFC) which you can get involved in as part of our co-curriculum activities.

You will get changed for PE and Dance lessons in the changing rooms. Some PE lessons will take place in the Sports Hall.

Some lessons will take place on the sports field or MUGA.

You will have your dance lessons in the Activity Studio.

Each year group will have an assembly every week in the Auditorium.

There are pupil toilets in all of our buildings.  
In the STEM and Humanities buildings there are toilets on each  
of the three floors.

If you have any worries or questions, you can always speak to your tutors. Each College has two tutors who will see you every day in the morning and the afternoon.

All our staff who are here to help. You can meet them all here:
