1. Values and Ethos

Houlton School will 'prepare pupils for the challenges and opportunities of their future lives through a world class curriculum, transformational learning experiences and the promotion of aspiration, innovation and excellence in all aspects of the school experience: once they have joined our Houlton family, pupils will enjoy the proud legacy of being members of our community for life'.

Our Houlton family aims to be:

1. Excellent in our provision of **transformational learning experiences**;
2. Excellent in our **expectations for, and from, every pupil**;
3. Excellent in the **tending of our Houlton family relationships**;
4. Excellent in our **attention to detail** in all that we do; and
5. Excellent in our **recognition and celebration of all that our Houlton family does well**.

We aim for an environment which enables and encourages all members of the school community to reach out for excellence. The school will work together with pupils, parents/carers and wider stakeholder to support this aim.
